THE ORIGINAL MINI REBORN.

Welcome to the MINI Hatch. Have a look around, and take all the time you need. There's so much going on in the MINI Hatch, it's almost impossible to know where to start when you first get behind the wheel as there's plenty of new stuff to discover; engines, paints, upholsteries, trims, alloy wheels, technologies, standard and optional equipment... the list really does go on and on. The MINI Hatch is striking, unmistakably modern, and showcases its legendary DNA more proudly than ever with a modern twist based on iconic design, giving that wonderful feeling of reconnecting with an old friend.

Hungry for more? For the first time ever, the MINI Hatch is available with 5 doors. Because we know there can never be too many customisation options.

MAKING A HABIT OF BREAKING WITH CONVENTION.

For over 55 years, the MINI has made the revolutionary routine. It's broken all the old rules and set new standards. It's taken inner-city driving and personalisation to the next level. And it's always packed with inspirational technology. Its unmistakable design and iconic go-kart feeling are practically the only traditions it won't break with. But that's because the best ones always endure. Old or new, past or present, the MINI has always been more than a car – it's a statement as well.

MINI One.

Choose from a 1.2-l 3-cylinder petrol engine that delivers 102 hp/75 kW or a 1.5-l 3-cylinder diesel version with an output of 95 hp/70 kW. Both feature MINI Twin Power Turbo technology. It comes with a matt black safety bar, tailgate handle and exterior mirror caps as well as high-gloss black radiator grille fins. The go-kart feeling starts here.

MINI Cooper.

A 1.5-l 3-cylinder petrol engine (136 hp/100 kW) and a 1.5-l 3-cylinder diesel version (116 hp/85 kW) offer a handy blend of power and fuel economy. It hosts a safety bar, tailgate handle and radiator grille fins in high-gloss black, 15" alloy wheels and exhaust tailpipes in Chrome. A no cost optional contrast roof and mirror caps is also available.

MINI Cooper S.

With a 2.0-l 4-cylinder petrol engine (192 hp/141 kW) or a 2.0-l 4-cylinder diesel version (170 hp/125 kW), the Cooper S packs the biggest punch. The air intakes in the front bumper and the air scoop in the bonnet, rear apron with diffuser, central twin exhaust tailpipe and optional rear spoiler all hint at the power waiting to be unleashed on the road.

THERE'S MORE THAN ONE WAY TO DRIVE A MINI.

There's also more than one MINI to drive away, each one has a different engine and its own feel behind the wheel. But whichever model you choose, they all have one thing in common: the power and efficiency of MINI Twin Power Turbo technology.

All MINI models are fitted with a 6-speed manual gearbox as standard. A 6-speed Steptronic automatic transmission is available upon request for all models except One D variants, whilst a 6-speed Steptronic sport gearbox with automatic start/stop function is also optionally available for Cooper S/SD and John Cooper Works models. To find out more about the John Cooper Works model, please see the John Cooper Works brochure or go online at mini.co.uk

With optional MINI Driving Modes, you can adapt the performance of your MINI to match your mood and the driving conditions. In the MID and GREEN modes, optional Variable Damper Control adjusts the suspension to keep the drive enjoyably smooth. But if you want to feel like you're tearing up the tarmac in a go-kart, select the SPORT mode.

MINI John Cooper Works.

There's no doubt about the motorsport pedigree of the MINI John Cooper Works – 231 hp/170 kW and a top speed of 153 mph (246 km/h) say it all. With an equally impressive power-to-weight ratio and maximum torque of 320 Nm, it's as dynamic as rival cars with significantly more powerful engines, accelerating from 0 to 62 mph in 6.3 seconds.

THE MINI 3-DOOR HATCH.

3 DOORS. 4 SEATS.

Compact on the outside, with short overhangs, plus loads of space inside – it's as fun to drive today as it was back in 1959. There's room for 4 passengers plus 211 litres of luggage. On winding country roads it handles like a go-kart. It also has a small turning circle, which is handy for nimble manoeuvring in the concrete jungle.

A MINI WILL ALWAYS BE A MINI.

With a streamlined front end and muscular sides, the classic Mini profile is unmistakable. Once you've caught the eye of those around you, the side scuttles, the optional roof and exterior mirror caps in Aspen White and elongated roof line with spoiler lip are sure to hold their gaze as you drive away.

THE MINI 5-DOOR HATCH.

5 DOORS. SAME MINI FEELING.

5 seats, noticeably more legroom in the back and 30% more luggage space than the 3-door hatch – the benefits of the MINI 5-door speak for themselves. It's highly customisable, agile and a great everyday car with all the striking MINI design features.

MORE SPACE MEANS MORE IDEAS.

Everyday practicality has never been so exciting. 5 seats, an impressive 278 litres of luggage space, 5 ways of getting in – and more than 5 centimetres of extra legroom in the back.

AND THE SAME GO-KART FEELING AS STANDARD.

Two extra doors open up untold opportunities, and you still get all of the classic Mini go-kart feeling thanks to a low centre of gravity, wide-track and stiff chassis.

* All MINI models comply with the EU6 exhaust emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle (as defined in directive 80/1268/EEC), made up of approximately one third urban and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured separately from fuel consumption. Figures relate to standard-specification vehicles, and may vary significantly where optional equipment (including wider tyres) is fitted. Figures for fuel consumption and CO₂ emissions may vary depending on the wheels and tyres fitted. Figures are obtained in a standardised test cycle. They are intended for comparisons between vehicles and may not be representative of what a user achieves under usual driving conditions.

MINI SELECT FINANCE.

MINI 3-DOOR HATCH

The MINI Cooper S is already a rocket ship but with a few options you can add even more cutting edge tech – giving you the MINI you want. This MINI Select finance example includes MINI tlc service cover (up to 36,000 miles, or the length of your agreement, whichever comes first).

The monthly option prices stated below are when taking out MINI Select on the finance example shown.

The John Cooper Works Chili Pack includes all the contents of the Chili Pack but adds exclusive equipment such as 17" Track Spoke alloy wheels in black, anthracite headlining, Piano Black interior trim and John Cooper Works features: aerodynamic kit, door sill finishers, roof spoiler and steering wheel. Drive a MINI Cooper S 3-Door Hatch with John Cooper Works Chili Pack for only **£222.06** a month.

Variable Damper Control means the handling of the MINI can change at the flick of a switch. In Sport mode, the suspension damper is stiffened to provide increased road holding and minimise body roll. In Comfort mode, the damping is softer than a standard MINI Cooper S. Turns out you can have the best of both worlds. An extra **£8.92** a month.

MINI Media Pack XL is so good that it could enhance the resale value of your MINI. Why? Maybe the huge 8.8" screen, or the 20GB hard drive for storing music, maybe it's MINI Connected XL or the 3D navigation and unique MINI Touch Controller. All for an extra **£23.31** a month.

When combined with the John Cooper Works Chili Pack, the Cross Punch leather upholstery price is only an extra **£9.75** a month. This is another option that can enhance the resale value of your MINI, meaning you pay less than the list price of the option when buying with finance.

MINI Head-up Display allows the driver to focus more on the road. Providing key info including navigation, audio, telephone as well as vehicle speed and, if specified, road speed limit information. An extra **£7.85** a month.

MINI Select finance example: MINI Cooper S 3-Door Hatch with options detailed above

Term of agreement	48 months	Option to purchase fee [^]	£1.00
47 monthly payments of	£279.00	Optional final payment [^]	£9,578.91
On the road cash price*	£26,044.00	Total amount payable	£29,381.89

Total deposit	£6,688.98	Representative APR	5.9%

Official fuel economy figures for the MINI Hatch range: Urban 31.0-72.4mpg (3.9-9.1l/100km). Extra Urban 54.3-91.1mpg (3.1-5.2l/100km). Combined 42.2-83.1mpg (3.4-6.7l/100km). CO₂ Emissions 89-147g/km. Figures are obtained in a standardised test cycle. They are intended for comparisons between vehicles and may not be representative of what a user achieves under usual driving conditions.

MINI UK, a trading name of BMW (UK) Limited, is a credit broker and not a lender.

Monthly option prices are for the specific finance example shown. Finance example is for a MINI Select agreement for a MINI Cooper S 3-Door Hatch and a MINI Cooper 5-Door Hatch with options as stated above the finance examples, with a contract mileage of 40,000 miles and excess mileage charge of 4.67p per mile for the MINI Cooper S 3-Door Hatch and 3.91p per mile for the MINI Cooper 5-Door Hatch. Applies for new vehicles ordered between 4 January and 31 March 2017 and registered by 30 June 2017, (subject to availability). Retail customers only. *On the road cash price is based on manufacturer's recommended retail price and includes 3 year MINI Retailer Warranty, MINI Emergency Service, 12 months' road fund licence, vehicle first registration fee, delivery, number plates and VAT. [^]Optional final payment and option to purchase fee not payable if you opt to return the vehicle at the end of the agreement (vehicle condition, excess mileage and other charges may be payable).

MINI SELECT FINANCE.

MINI 5-DOOR HATCH

The MINI Cooper is great in standard trim, however for a small amount you can make it even better with some fantastic options and technology. This MINI Select finance example includes MINI tlc service cover (up to 36,000 miles, or the length of your agreement, whichever comes first).

The monthly option prices stated below are when taking out MINI Select on the finance example shown.

Pepper Pack includes: dual zone automatic air conditioning, a sport leather steering wheel, floor mats, passenger seat height adjustment, MINI Excitement Pack, storage compartment pack, interior lights pack, rain sensor and automatic headlight activation as well as 16" Loop Spoke alloy wheels for MINI Cooper/D models. Already off to a great start! Drive a MINI Cooper 5-Door Hatch with Pepper Pack for only **£190.62** a month.

16" Loop Spoke alloy wheel included in Pepper Pack is great but the 17" Roulette Spoke alloy wheel is exclusive to the MINI 5-Door Hatch and gives the MINI Cooper a strong road presence as well as sporty looks. When combined with Pepper Pack, the wheel is **£7.13** a month.

Visual Boost Radio upgrades the MINI display to a full colour 6.5" screen. This includes some great features such as MINI Connected with more functionality than ever. An extra **£5.94** a month.

Have your MINI in the colour that suits you. Electric Blue is **£11.30** a month. MINI Cooper models include the free option of contrast roof and mirrors, take this a step further with matching bonnet stripes for an extra **£1.91** a month.

Pepper Pack adds a leather steering wheel to the MINI Cooper. However this can be upgraded to include multi-function buttons to control audio and telephone, as well as adding cruise control. All for an extra **£4.99** a month.

THE NEW MINI SEVEN HATCH EDITION.

A FLAWLESS FORM OF SELF-EXPRESSION.

When you value self-expression, you raise the bar a little higher than the rest. You aren't just looking for excellence – it has to fit your personality too. Fortunately, the new MINI Seven makes the search that much easier. Just like its predecessors, the 1959 original Mini Austin Seven and 2000 and 2006 editions, it offers a unique combination of premium equipment options that will satisfy even the most discerning MINI fans. They represent the best of British craftsmanship and each item has its own story to tell.

The exterior of the new MINI Seven complements the interior perfectly to create a harmonious look and feel from end to end. The standard roof and exterior mirror caps in Melting Silver provide an elegant contrast to each exterior colour, with classic MINI Seven bonnet stripes in silver, flanked by Malt Brown pinstripes, rounding off the design. The exterior colour illustrated here is the MINI Yours Lapisluxury Blue. The new MINI Seven is also available in Pepper White, British Racing Green and Midnight Black.

The interior is finished with a very high standard specification including Pepper Pack contents, MINI Visual Boost with a 6.5" screen and brand new exclusive Sport seats finished in Cloth Leather Diamond Malt Brown upholstery.

You know the new MINI Seven when you see it, thanks to the brand new and exclusive 17" MINI Seven light alloy wheels in two tone or 18" MINI Yours Vanity Spoke light alloy wheels in two-tone, specially designed Seven edition side scuttles and the Melting Silver roof.

Enhance your MINI Seven edition by selecting from list of additional options. The optional MINI Seven Chili Pack lets you can sit back and savour an interior that offers style and comfort in equal measure. The MINI Yours seats upholstered in exclusive Carbon Black Lounge leather, a no cost option with the MINI Seven Chili Pack, and are meticulously crafted for a unique aesthetic indulgence. They also come with braided edging and the Union Jack design is stitched on the back of the headrests. The MINI Yours styling also extends to the MINI Yours Steering Wheel, which comes as standard with the Seven Chili Pack. Other optional features can be added to the new MINI Seven, such as Head-up Display, as well as Media Pack XL, which includes MINI Navigation System XL, an 8.8" screen, voice control, 3D mapping, MINI Connected*, MINI Connected XL Journey Mate*, 20GB music Hard Drive and enhanced Bluetooth with USB audio.

A MINI hallmark: the Seven logo appears above the side scuttles and on the door sill finishers. The 'Seven' lettering can also be found on the ring around the MINI Centre Instrument, along with brown and silver pinstripes.

SENSIBLE REASONS TO CHOOSE A MINI.

Exceptional drive, build quality and an array of striking interior design features – all great reasons to buy a MINI but that's certainly not the whole story. Here are some other things you might find interesting:

Lower Emissions and lower fuel consumption

Whichever paintwork you go for, your new MINI will always be green. The new TwinPower Turbo engines are incredibly responsive yet economical at the same time. MINIMALISM is our name for a range of engineering advances that ensure lower fuel consumption, and with it, lower CO₂ emissions. These include the Automatic Start/Stop function, which is now available as standard on the new MINI with either manual or optional automatic transmission.

Compare your favourite MINI model against other cars on mini.co.uk to see just how well we perform.

Servicing

But won't a MINI be expensive to service you ask? Nope. We've made sure of that by offering every new MINI owner comprehensive service cover for the first 3 years (or 36,000 miles whichever is sooner) for a one off payment. We call this MINI tlc. For further information including full pricing, terms and conditions visit mini.co.uk/aftersales or contact your MINI Retailer.

Finance that focuses on you

Has a MINI captured your eye? Then let's sit down and work out a tailored finance solution for you.

We offer three different types of finance agreement, as well as the guidance of a finance specialist at your local MINI Centre.

MINI Select

Having three options at the end of your agreement makes this our most popular finance product, for new or Approved Used MINIs.

MINI Hire Purchase

The attraction of MINI Hire Purchase is that there are no mileage restrictions. Better still, when you get to the end of your finance agreement, your MINI is all yours.

MINI Contract Hire

Available for both personal and business users, this is a truly effortless way to get the keys to a MINI.

To find out more visit offers.mini.co.uk or speak to your local MINI Centre.

Genuine MINI Accessories

Genuine MINI Accessories is the only range that is approved by the people that build the MINI. Every item is at one with the design, build and spirit of this uncompromising car. New or Approved Used, there are many ways to make your MINI unique with our innovative equipment and Accessories. Be it exterior styling accessories including decals, alloy wheels, roof rack systems and mirror covers or why not tailor the interior, where the range extends from the rear-view mirror cover and door lock caps to MINI Head-Up Screen and Travel and Comfort systems for rear seat entertainment and storage. Whichever you choose, Genuine MINI Accessories are sure to make your MINI as individual as you. For details of the full range available pick up an Accessory brochure from your local MINI Centre or visit: mini.co.uk/accessories

Our retailers

Last but certainly not least, our lovely MINI Centres. Our retailers take a lot of pride in making their showrooms nice places to visit and staffing them with friendly, knowledgeable staff. Our service areas are filled with MINI specialists who know them inside out and are ready to lavish them with care.

Prices shown are those in effect at the time of going to press and may alter periodically subject to product changes. All prices include VAT unless quoted separately.
